While MARA may disclose any information it holds of any adverse claims to the Holder (subject to appropriate confidentiality obligations), given the extent of property owned by the State and the many Departments, branches and agencies of government, there is no warranty that no other Department, branch or agency of government does not hold relevant information and that any risk of loss or damage attributable to any undisclosed information shall not, in the absence of fraud or dishonesty, afford any cause of action against, or impair the forementioned indemnity in favour of, MARA and the State.

Reason: For the necessary protection of the Grantor in light of possible risks arising from the Permitted Maritime Usage.

 - (b) effect and keep in force a public liability insurance policy of indemnity in the joint names of the Grantor and Holder in an insurance office licensed to operate in the State with a limit of €6,500,000 (six million and five hundred Euro) (or such increased amount as the Grantor may from time to time reasonably determine) in respect of any one claim or a series of claims arising out of a single occurrence (except for pollution and products liability cover which may be on an annual aggregate basis if unavailable on a single occurrence basis) for any damage, loss or injury which the Grantor or Holder may be legally liable for which may occur to any property (not being the property of the Grantor or the Holder) or to any person by or arising out of the Permitted Maritime Usage and exercise of the rights granted in this Consent;

- (c) effect and keep in force an employer's liability insurance policy of indemnity in the name of the Holder in an insurance office licensed to operate in the State with a limit of €13,000,000.00 (thirteen million Euro) for any one claim or a series of claims arising out of a single occurrence. This policy should include an indemnity to principles clause with a specific indemnity to the Grantor;
- (d) in the event that the Consent Area or any part thereof, shall be damaged by any of the Insured Risks, then and as often as shall happen, apply all monies received in respect of such insurance as aforesaid as soon as practicable in or upon reinstating the Consent Area in a good and substantial manner and in the event that such monies shall be insufficient for the said purpose, to make good the deficiency;

- (f) not do or omit to do anything which might cause any policy of insurance (if required) relating to the Consent Area or any other part of the maritime area affected by the Permitted Maritime Usage to become void or voidable, wholly or in part, nor (unless the Holder has previously notified the Grantor and the Holder has agreed to pay the increased premium) to do anything whereby any abnormal or loaded premium may become payable;
- (g) as soon as reasonably practicable notify the Grantor in writing of the making of any claim under any policy of insurance which is required to be held in connection with this Consent and to provide the Grantor with all information in relation to any such claim; and
- (h) ensure that any contractors, servants or agents of the Holder engaged in connection with activities in the Consent Area or otherwise in connection with this Consent have appropriate insurance and that evidence of such

insurance policies shall be provided to the Grantor as soon as is reasonably practicable.

- 10.2 Where the Grantor deems that the limit of the public liability insurance policy in condition 10.1(b) above should be increased having regard to changes in circumstances (including but not limited to inflation, increased costs and changes in the value of money) then the Grantor may notify the Holder of the required increase, and the Holder shall increase the relevant policy limit within 90 Business Days of the receipt of such notification subject to any extension as may be permitted by the Grantor following a written request by the Holder.

- 11.2 Without prejudice to the generality of condition 11.1 above, and to all other rights of the Grantor to enter upon the Consent Area, the Grantor shall have the right to:
- (a) enter the Consent Area for the purposes of enabling the Grantor to carry out inspections (including periodic inspections) for the purposes of ascertaining whether or not there has been a contravention of a provision of this Consent, the Act, or one or more conditions attached or deemed to be attached to this Consent; or
 - (b) enter the Consent Area if the Grantor has reason to believe that the Holder has contravened:
 - (i) a provision of this Consent;

- (ii) a provision of the Act; or
- (iii) a provision of one or more conditions attached, or deemed to be attached, to this Consent.

11.3 The Holder shall cooperate and assist the Grantor in the Grantor's performance of its functions under and in relation to this Consent and the Act.

11.4 The Holder acknowledges and agrees that, unless the contrary intention is expressed, any investigation, inspection or enquiry undertaken pursuant to this Consent is without prejudice to the Holder's rights and obligations under this Consent, the Act or at Law and no failure or delay in taking any action arising from such investigation, inspection or enquiry shall amount to a waiver of any such rights or relieve the Holder from any such obligations; and does not amount to an acknowledgement by the Grantor, or any officer, servant or agent of the Grantor, that the Holder has complied with or is in compliance with this Consent, the Act or Law in relation to any matters to which the investigation, inspection or enquiry relates.

Reason: To ensure the Grantor can evaluate the compliance of the Holder with its obligations under this Consent and the Act.

12. REHABILITATION

12.1 The Holder shall before the expiration of this Consent, rehabilitate the Consent Area, and any other part of the maritime area, adversely affected by the Permitted Maritime Usage in accordance with the requirements of the Rehabilitation Schedule.

12.2 This obligation does not relieve the Holder from any obligation to apply for or obtain any other authorisations (whether the authorisation takes the form of the grant of a licence, consent, approval or any other authorisation) required under the Act or any other enactment in order to enable that Holder to discharge that obligation.

12.3 Notwithstanding termination or revocation of this Consent pursuant to this

Consent or the Act, the Holder must continue to comply with the obligations under this condition 12 above and section 96 of the Act to the extent as agreed by the Grantor in all the circumstances of the case.

Reason: To ensure the Consent Area is rehabilitated in an appropriate and acceptable manner in accordance with the Act and this Consent and all applicable Development Permissions.

13. **JOINT AND SEVERAL OBLIGATIONS**

13.1 Save where otherwise specified, any obligations of the Holder under this Consent are joint and several obligations.

Reason: To clarify that where there is more than one Holder that obligations under the MAC are joint and several.

14. **FORCE MAJEURE**

14.1 Except as otherwise provided by this Consent, where any party or parties are rendered wholly or partially incapable of performing all or any of their obligations under this Consent, the Act, or the Planning and Development Act 2000, as amended, by reason of Force Majeure:

Reason: To clarify the events that excuse the non-performance of obligations in this Consent.

15. EXERCISE OF RIGHTS
