Case Worker's additional comments and recommendation following the response to Minded To on 23/10/2025:	
General Comments	Applicant Comments: The applicant responded to the Minded To issued on 03/10/2025 stating the following: <i>"We are happy with all conditions and would like to amend the license holder to OPW to ensure the client is responsible for the license."</i> Caseworker Comments: MARA is required to issue the licence under the legal entity as per application form submitted. Additionally, the OPW have not contacted MARA to confirm this request. Minded To is only for the purpose of comments, or queries, regarding the reasons for conditions in the proposed licence. Caseworker Recommendation: MARA cannot legally reassign a legal entity on a licence. The only possible recourse is to advise the Applicant to submit an application under section 124 of the MAP Act for reassignment of the holder of the Licence.
