Dear Sir/Madam

I would like to submit the correspondence(attached) that I previously submitted to the EPA and to An Coimisiún Pleanála on the Port of Waterford applications.

I also request in the interest of trust and transparency that MARA, EPA ,An Coimisiún Pleanála, IFI, Inland fisheries Ireland, Sea fisheries protection and the Marine institute, refer what is now known as relaxed planning and licencing to the Minister, High court, European court and Attorney general in the order to bring clarification and answers to the many serious questions that lies their in, For The Law, Water Framework, Directive, Habitats Directive, Bird Directive and also to bring clarity for the statutory bodies and those that work in them and are entrusted to protect the environment and to hold up the law.

In the interest of trust and transparency this should happen before any decision is made on these applications

Your Sincerely,
