- 7.4 If any amount which is payable under this Consent has not been paid on or before the date that payment is due, the Grantor is to be paid interest on the outstanding amount at the rate prescribed in accordance with section 169(2) of the Act or, if no such rate stands subscribed, at the rate of 2 per cent, such interest to be calculated from the date that payment was due until the date of actual repayment.
- 7.5 Without prejudice to all and any other remedies under this Consent, the Act and at Law, the Grantor may institute proceedings for recovery of any sum due and owing by the Holder to the Grantor in accordance with this Consent or the Act as a simple contract debt in any court of competent jurisdiction.
- 7.6 In exceptional circumstances, the Grantor may in its absolute discretion grant a moratorium on the payment of the Levy, subject to such conditions as may be imposed. Such moratorium may operate as a deferral or a waiver of the Levy but unless expressly stated to be a waiver, any such moratorium shall be a deferral only.

Reason: To comply with section 92(1) of the Act and specify details concerning the Levy that shall be paid to the Grantor by the Holder for the occupation of the Consent Area for the purpose of undertaking the Permitted Maritime Usage.

8. FIT AND PROPER PERSON

8.1 The Holder shall for the duration of the Term continue to be a fit and proper person within the meaning of Schedule 2 of the Act.

Reason: To ensure compliance with the legislation and proper management of the Consent Area.

9. SECURITY AND FINANCING

9.1 The Holder shall not create, extend or permit to subsist any encumbrance or security or interest of any kind over this Consent or otherwise use it as security for any borrowings or other liability whatsoever, without the prior written consent of the Grantor, to be granted or refused at the Grantor's sole discretion, and subject to such terms and conditions as the Grantor may specify.

9.2 The Grantor, at its sole discretion, may at the request of the Holder, without any obligation to do so, consider amendments to this Consent, to facilitate the financing of the project.

Reason: To ensure the Grant of this Consent is personal to the Holder that has been deemed a fit and proper person pursuant to the criteria set out in Schedule 2 of the Act.

10. CHANGE IN CIRCUMSTANCES

10.1 The Holder shall provide the Grantor with notice in writing of any material change of circumstances within the meaning of Section 136 of the Act.

Reason: To ensure the Grantor is informed of any material change in circumstances within the meaning of Section 136 of the Act.

11. INDEMNITY

- 11.1 The Holder shall keep the Grantor, the State, and their officers, servants, visitors, agents and employees fully indemnified from and against all or any actions, proceedings, claims, demands, losses, costs, fees, expenses, damages, penalties and other liabilities:

- 11.2 Without prejudice to the generality of the foregoing, the Holder shall make good all loss sustained by the Grantor in consequence of any breach by the Holder of any covenants or conditions herein.
- 11.3 The Holder warrants to the Grantor that it has made due enquires and is satisfied that there are no third party interests in the Consent Area and the Holder shall keep the Grantor, the State and their officers, servants, visitors, agents and employees fully indemnified from and against all or any actions proceedings, claims, demands, losses, costs, fees, expenses, damages, penalties and other liabilities arising directly or indirectly from the undertaking by the Holder (including its employees, contractors, subcontractors, servants, visitors, consultants, representatives and/or agents) of the Permitted Maritime Usage the subject of this Consent in the Consent Area.
- 11.4 In the event of any third party asserting rights having priority over the rights granted by way of this Consent, such claim shall not relieve the Holder of its responsibility under any other covenant or condition in this Consent (including as to reinstatement or remedial works) unless and to the extent that the third party rights prevented compliance with it (in which case provision could be made for a financial compensation in lieu of performance of the covenant or permission). While MARA may disclose any information

it holds of any adverse claims to the Holder (subject to appropriate confidentiality obligations), given the extent of property owned by the State and the many Departments, branches and agencies of government, there is no warranty that no other Department, branch or agency of government does not hold relevant information and that any risk of loss or damage attributable to any undisclosed information shall not, in the absence of fraud or dishonesty, afford any cause of action against, or impair the forementioned indemnity in favour of, MARA and the State.

Reason: For the necessary protection of the Grantor in light of possible risks arising from the Permitted Maritime Usage.

12. **INSURANCE**

12.1 Without prejudice to the Holder's liability to indemnify the Grantor which shall be unlimited (and others as specified in condition 11), the Holder shall, prior to the commencement of occupation of the Consent Area:

- (a) insure (which includes the Holder's self-insurance arrangements) and keep insured (either with an insurance office licensed to operate in the State or which has received authorisation to operate in the State in accordance with Article 14 of Directive 2009/138/EC in the joint names of the Grantor and the Holder, or alternatively at the Holder's discretion, through a self-insurance arrangement), in the full reinstatement cost thereof or in the sum not less than the estimated maximum loss amount as determined by a suitably qualified and experienced independent consultant (to be approved from time to time by the Grantor or his surveyor and including an inflationary factor) the Consent Area and all structures and chattels thereon and the fixtures and fittings therein (if any) against loss or damage by the Insured Risks, including demolition and site clearance expenses, architects' and other fees and taxes in relation to the reinstatement of the Consent Area, and where available on the market such policy to include a non-invalidation clause acceptable to the Grantor (such joint policy or policies, if required,

- to contain a non-vitiation clause whereby subject to the terms, conditions, limitations of the policy or policies, any non-disclosure, mistake or misrepresentation of a material fact by the Holder gives sufficient reason for the insurer to prove the insurance policy to be void, the Grantor will not be denied the protection of the policy);
- (b) effect and keep in force a public liability insurance policy of indemnity in the name of the Grantor and Holder in an insurance office licensed to operate in the State with a limit of €6,500,000 (six million and five hundred thousand Euro) (or such increased amount as the Grantor may from time to time reasonably determine) in respect of any one claim or a series of claims arising out of a single occurrence (except for pollution and products liability cover which may be on an annual aggregate basis if unavailable on a single occurrence basis) for any damage, loss or injury which the Grantor or Holder may be legally liable for which may occur to any property (not being the property of the Grantor or the Holder) or to any person by or arising out of the Permitted Maritime Usage and exercise of the rights granted in this Consent;
- (c) effect and keep in force an employer's liability insurance policy of indemnity in the name of the Holder in an insurance office licensed to operate in the State with a limit of €13,000,000 (thirteen million Euro) for any one claim or a series of claims arising out of a single occurrence. This policy should include an indemnity to principles clause with a specific indemnity to the Grantor;
- (d) in the event that the Consent Area or any part thereof, shall be damaged by any of the Insured Risks, then and as often as shall happen, apply all monies received in respect of such insurance as aforesaid as soon as practicable in or upon reinstating the Consent Area in a good and substantial manner and in the event that such monies shall be insufficient for the said purpose, to make good the deficiency;
- (e) whenever required to do so by the Grantor, produce to the Grantor for inspection evidence of insurances, including certificates together with evidence of renewal of the said policy or policies together with evidence of

- waiver of subrogation rights against the Grantor by the Holder's insurers, and to comply with all conditions pertaining to any such policy or policies;
- (f) not do or omit to do anything which might cause any policy of insurance (if required) relating to the Consent Area or any other part of the maritime area affected by the Permitted Maritime Usage to become void or voidable, wholly or in part, nor (unless the Holder has previously notified the Grantor and the Holder has agreed to pay the increased premium) to do anything whereby any abnormal or loaded premium may become payable;
 - (g) as soon as reasonably practicable notify the Grantor in writing of the making of any claim under any policy of insurance which is required to be held in connection with this Consent and to provide the Grantor with all information in relation to any such claim; and
 - (h) ensure that any contractors, servants or agents of the Holder engaged in connection with activities in the Consent Area or otherwise in connection with this Consent have appropriate insurance and that evidence of such insurance policies shall be provided to the Grantor, if requested, as soon as is reasonably practicable.

12.2 Where the Grantor deems that the limit of the public liability insurance policy in condition 12.1(b) should be increased having regard to changes in circumstances (including but not limited to inflation, increased costs and changes in the value of money) then the Grantor may notify the Holder of the required increase, and the Holder shall increase the relevant policy limit within 90 Business Days of the receipt of such notification subject to any extension as may be permitted by the Grantor following a written request by the Holder.

Reason: To mitigate against risk to the Grantor and the State in the event of insolvency or incapacity on the part of the Holder where insurable.

13. **INSPECTION AND INVESTIGATIONS**

13.1 The Grantor may conduct or cause to be conducted such investigations,

inspections and enquiries in connection with this Consent as it sees fit including requiring the submission of electronic and/or paper records to the Grantor for the purposes of inspection (including periodic inspections).

13.2 Without prejudice to the generality of condition 13.1, and to all other rights of the Grantor to enter upon the Consent Area, the Grantor shall have the right to:

- (a) enter the Consent Area for the purposes of enabling the Grantor to carry out inspections (including periodic inspections) for the purposes of ascertaining whether or not there has been a contravention of a provision of this Consent, the Act, or one or more conditions attached or deemed to be attached to this Consent; or
- (b) enter the Consent Area if the Grantor has reason to believe that the Holder has contravened:
 - (i) a provision of this Consent;
 - (ii) a provision of the Act; or
 - (iii) a provision of one or more conditions attached, or deemed to be attached, to this Consent.

13.3 The Holder shall cooperate and assist the Grantor in the Grantor's performance of its functions under and in relation to this Consent and the Act.

13.4 The Holder acknowledges and agrees that, unless the contrary intention is expressed, any investigation, inspection or enquiry undertaken pursuant to this Consent is without prejudice to the Holder's rights and obligations under this Consent, the Act or at Law and no failure or delay in taking any action arising from such investigation, inspection or enquiry shall amount to a waiver of any such rights or relieve the Holder from any such obligations; and does not amount to an acknowledgement by the Grantor, or any officer, servant or agent of the Grantor, that the Holder has complied with or is in compliance with this Consent, the Act or Law in relation to any matters to which the investigation, inspection or enquiry relates.

Reason: To ensure the Grantor can evaluate the compliance of the Holder with its obligations under this Consent and the Act.

14. REHABILITATION

- 14.1 The Holder shall before the expiration of this Consent, rehabilitate the Consent Area, and any other part of the maritime area, adversely affected by the Permitted Maritime Usage in accordance with the requirements of the Rehabilitation Schedule and the meaning of Section 95 of the Act.
- 14.2 This obligation does not relieve the Holder from any obligation to apply for or obtain any other authorisations (whether the authorisation takes the form of the grant of a licence, consent, approval or any other authorisation) required under the Act or any other enactment in order to enable the Holder to discharge that obligation.
- 14.3 The Holder shall comply with any notice given by the Grantor pursuant to Section 97 of the Act requiring the Holder to make an application within the period set out in the notice for Development Permission or any other consent required to amend or replace the Rehabilitation Schedule to take account of the matters set out in the notice.
- 14.4 Notwithstanding termination or revocation of this Consent pursuant to this Consent or the Act, the Holder must continue to comply with the obligations under this condition 14 and Section 96 of the Act to the extent as agreed by the Grantor in all the circumstances of the case.

Reason: To ensure the Consent Area is rehabilitated in an appropriate and acceptable manner in accordance with the Act and this Consent and all applicable Development Permissions.

15. REHABILITATION FINANCIAL PROVISION

- 15.1 The provisions of this condition 15 are subject to the requirements of any Development Permission authorising the Permitted Maritime Usage and section 87 of the Act shall apply to any irreconciliation arising.
- 15.2 Not later than 5 years before the expiration of this consent or such earlier date as the Grantor shall in its sole discretion determine, the Holder shall

establish an account with an account bank nominated by the Holder and approved by the Grantor (the “Secured Account”) into which certain payments are made in such amounts as required by the Grantor based on its assessment of the rehabilitation costs attributable to the Consent Area.

The Secured Account will be subject to:

- (a) a first ranking charge in favour of the Grantor;
- (b) any other security required by the Grantor; and
- (c) will contain funds sufficient to:
 - (i) Ensure the proper performance of the Holder’s obligations pursuant to condition 14 and Chapter 8 of Part 4 of the Act in relation to the rehabilitation of the Consent Area and if necessary, any other part of the maritime area adversely affected by the Permitted Maritime Usage, as may be determined by, and to the satisfaction of, the Grantor; and
 - (ii) Cover any other liabilities which may be incurred in relation to any rehabilitation whether pursuant to this Consent or otherwise.

15.3 The following provisions apply to determining the amount of the funds to be deposited in the Secured Account:

- (a) The amount of the funds required must at all times be acceptable to the Grantor;
- (b) The Holder shall make and complete such deposits to the Secured Account in euro (€) as are required to ensure that, at any given time, there is standing to the credit of the Secured Account (in cleared funds) an amount equal to, or greater than, the amount (if any) as determined by the Grantor based on its assessment of the rehabilitation costs attributable to the Consent Area. The amount will be agreed by the Grantor having regard to the estimated costs of rehabilitation from time to time; and
- (c) The estimated costs of rehabilitating the relevant parts of the Consent Area and if necessary, any other part of the maritime area, adversely affected by the Permitted Maritime Usage and any other liabilities which the Grantor reasonably considers may be incurred by the Holder of this Consent or otherwise.

15.4 The right to demand under a rehabilitation financial provision is without prejudice to any other remedies available to the Grantor under this Consent or at Law.

15.5 The Holder shall deliver a certificate of completion of rehabilitation by an appropriate expert that confirms that rehabilitation has been completed in accordance with the Rehabilitation Schedule. Following receipt of this certificate the Grantor may carry out an inspection to determine if rehabilitation has been completed in accordance with the Rehabilitation Schedule. When the Grantor is satisfied that rehabilitation has been completed in accordance with the Rehabilitation Schedule, the Grantor shall execute a deed of release of its security over the Secured Account.

Reason: To mitigate the risk of the Holder not being in the position to discharge their duties with regard to Rehabilitation.

16. CHANGE OF CONTROL

16.1 A Change of Control shall constitute a material breach of this Consent unless the provisions in condition 16.2 are complied with by the Holder and consent in writing is given by the Grantor.

16.2 In the event of a prospective Change of Control, the Holder shall, prior to any Change of Control becoming effective, make an application to the Grantor for consent in writing to the Change of Control and the provisions of Section 85 of the Act with all necessary modifications shall apply to the process of seeking and granting such consent as if the Holder as controlled after the prospective Change of Control was the 'proposed assignee' as provided for therein.

Reason: To provide clarity on the procedure to be followed in the event of a change of control occurring.

17. JOINT AND SEVERAL OBLIGATIONS

17.1 Save where otherwise specified, any obligations of the Holder under this Consent are joint and several obligations.

Reason: To clarify that where there is more than one Holder that obligations under the MAC are joint and several.

18. **FORCE MAJEURE**

18.1 Except as otherwise provided by this Consent, where any party or parties are rendered wholly or partially incapable of performing all or any of their obligations under this Consent, the Act, or the Planning and Development Act 2000, (as amended or substituted), by reason of Force Majeure:

- (a) as soon as is reasonably practicable, the party affected by Force Majeure shall notify the other party, identifying the nature of the event, its expected duration and the particular obligations affected and shall furnish reports at such intervals reasonably requested by the other party during the period of Force Majeure;
- (b) this Consent shall remain in effect but that party's obligations, except for an obligation to make payment of money, and the corresponding obligations of the other party, shall be suspended, provided that the suspension shall be of no greater scope and no longer duration than is required by the Force Majeure;
- (c) subject to full compliance with this condition 18, during suspension of any obligation pursuant to sub clause (b), the relevant party or parties shall not be treated as being in breach of that obligation;
- (d) the party affected by the Force Majeure shall use all reasonable efforts to remedy its inability to perform all or any of its obligations under this Consent by reason of Force Majeure and to resume full performance of its obligations under this Consent as soon as is reasonably practicable;
- (e) as soon as is reasonably practicable after notification of the Force Majeure, each party shall use all reasonable endeavours to consult with the other party as to how best to give effect to their obligations under this Consent so far as is reasonably practicable during the period of the Force Majeure;

- (f) upon cessation of a party's inability to perform all or any of its obligations under this Consent by reason of Force Majeure, that party shall notify the other party; and
 - (g) insofar as is possible, any party affected by an event of Force Majeure shall do all things reasonably practicable to mitigate the consequences of the Force Majeure.
- 18.2 Condition 18.1(d) above shall not require the settlement of any strike, walk-out, lock-out or other labour dispute on terms which, in the sole judgement of the party involved in the dispute, are contrary to its interests.

Reason: To clarify the events that excuse the non-performance of obligations in this Consent.

19. EXERCISE OF RIGHTS

- 19.1 The Holder shall exercise this Consent in such a manner as not to cause damage or injury to the Consent Area (save for incidental damage caused in the completion of works in substantial compliance with the Development Permission), the Grantor, the occupants of the Consent Area and any other part of the maritime area affected by the Permitted Maritime Usage and to forthwith from time to time with due diligence repair and make compensation for any such damage or injury that may be so caused.

Reason: To clarify the manners in which the rights granted under the Consent shall be exercised by the Holder.

20. RELATIONSHIP OF THE PARTIES

- 20.1 Nothing in this Consent may be interpreted or construed as creating any landlord and tenant relationship, any tenancy in or right to possession of or any right of easement over or in respect of the Consent Area or any other

part of the maritime area affected by the Permitted Maritime Usage, or any agency, association, joint venture or partnership between the Grantor and the Holder.

20.2 Except as is expressly provided for in this Consent, nothing in this Consent grants any right, power or authority to any party to enter into any agreement or undertaking for, act on behalf of or otherwise bind any other party.

20.3 It is hereby certified for the purposes of Section 238 of the Companies Act 2014, as amended, that the Grantor is not a director, or a person connected with a director of the Holder.

21. SEVERANCE

21.1 If any provision of this Consent is or becomes or is declared invalid, unenforceable or illegal by the courts of Ireland or by order of the relevant body of the European Union, that provision shall be severed, and the remainder of this Consent shall remain in full force and effect.

21.2 The Holder shall comply with this Consent, as amended.

Reason: To clarify the impact of any condition of this Consent being declared invalid, unenforceable or illegal by the Courts in Ireland and to ensure the remainder of the conditions in this Consent remain in full force and effect.

22. GOVERNING LAW AND JURISDICTION

22.1 This Consent and all other documents relating to it shall be governed by and construed only in accordance with the laws of Ireland.

22.2 The Holder hereby submits irrevocably to the exclusive jurisdiction of the courts of Ireland in respect of any dispute arising out of or in connection with this Consent.

22.3 This condition is for the benefit of the Grantor only. The Grantor shall not be prevented from taking proceedings against the Holder in any other courts

with jurisdiction. To the extent allowed by law, the Grantor may take concurrent proceedings in any number of jurisdictions.

Reason: To clarify the Holder must submit to the exclusive jurisdiction of the Irish courts in respect of any dispute and the provisions of this Consent shall be construed in accordance with the laws of Ireland.

23. **STAKEHOLDER ENGAGEMENT PLAN**
