

Minded to Determine Notice

To: Uisce Éireann

Re: Maritime Area Planning Act 2021 - Application for a Maritime Usage Licence

Maritime Usage Licence (MUL) Reference: MUL230037

Marine surveys within Newport Bay and Clew Bay to inform the outfall discharge location for a proposed new Waste Water Treatment Plant (WWTP) to serve the Newport agglomeration in Co. Mayo.

Date: 27/04/2026

By Electronic mail only: petflood@water.ie Yvonne.murphy@mottmac.com foreshore@water.ie

Dear Applicant,

I refer to your application to the Maritime Area Regulatory Authority (MARA) for the above referenced Maritime Usage Licence.

Pursuant to section 119(6)(b) of the Maritime Area Planning Act 2021 (“the Act”), MARA hereby gives notice to Uisce Éireann that, MARA is minded to grant the above licence subject to conditions.

Section 119(6)(b) of the Maritime Area Planning Act 2021 provides that MARA must give a notice to the applicant with the reasons for the conditions and allow the applicant an opportunity to provide supplementary material in relation to the reasons for further consideration before MARA makes a final determination on the licence application.

For this purpose, I enclose a copy of the proposed licence with the proposed conditions and the reasons for these conditions. You may provide supplementary material in view of the reasons

set out in this proposed licence only, which MARA will consider before making a final determination on the licence application. Any supplementary material must be furnished to MARA at licence@mara.gov.ie by the 19/05/2026 at the latest. MARA will not accept any supplementary material after this date.

Where you do not wish to provide such supplementary material to MARA, please confirm same to licence@mara.gov.ie at your earliest convenience. This confirmation will enable MARA to advance to final determination.

For the avoidance of doubt, no decision to grant the licence shall be considered to have been made until MARA makes a final determination on the licence application.

Yours faithfully,

Director, Maritime Usage Licensing
