Maritime Usage Licence Application Reference: MUL240050

Dear Applicant,

I refer to the above referenced maritime usage licence application received by the Maritime Area Regulatory Authority (MARA).

MARA considers that it requires additional information as set out below in order to determine the licence application.

1. With reference to the strict protection of species listed under Annex IV of the Habitats Directive (92/43/EEC), confirm if you are required to apply for a derogation under Regulation 54 of the European Communities (Birds and Natural Habitats) Regulations 2011, as amended. If yes, provide details of the application submitted, including the NPWS Derogation Number.
2. As the proposed maritime usage is to inform a future possible salvage operation on the target wreck, confirm that this application is being made under Schedule 7(3) (*Marine environmental surveys for the purposes of site investigation or in support of an application under Part XXI of the Act of 2000*) of the Maritime Area Planning Act 2021, as amended.

The requested information should be submitted to MARA (by email to licence@mara.gov.ie) within 4 weeks of the date of this notice, (by **06/08/2026**) in order for MARA to assess the licence application.
