Request for additional information in accordance with section 117(3) of the Maritime Area Planning Act 2021 in respect of licence application reference number MUL230026

Dear Applicant,
cc. Colm Sheehan (Bates Partnership)

I refer to the above licence application received by the Maritime Area Regulatory Authority (MARA) on 16/04/2024. MARA considers that it requires the additional information as set out below in order to determine the licence application.

- 1) Provide a proposed water quality monitoring programme for turbidity and suspended solids over the duration of the dredging and deposit activities, in order to validate the dispersion modelling assessments submitted in support of the application. Include details on proposed monitoring locations (including maps and co-ordinates), sampling methods and equipment to be used.

Please refer to MARA's [Guidance and Technical Mapping note](#) when providing the information requested.

The requested information should be submitted to MARA within 2 weeks of the date of this notice, i.e by **27/04/2026**, in order for MARA to assess the licence application.

Please direct any queries to licence@mara.gov.ie.

Yours faithfully,

Paula O'Toole
