Dear Applicant,

Pursuant to section 117(6)(b) of the Maritime Area Planning Act 2021 (“the Act”), the Maritime Area Regulatory Authority (“MARA”) requires Eirgrid plc to give notice to the public stating that the application **MUL240010** has been made to MARA, as per the attached notice. The notice must be published in at least one national newspaper and in the local newspapers pertinent to the coastline(s) that the proposed maritime usage is adjacent to, for public consultation on this application.

The date of publication of the notice should be no later than four weeks from today’s date. A request for an extension to that period may be submitted in writing to MARA by the applicant for good and sufficient reason. Where the applicant fails to comply with the period specified (or any extension granted by MARA to that period) the application concerned shall be deemed to have been withdrawn.
