

PUBLIC NOTICE

The Maritime Area Planning Act 2021 and the European Communities (Birds and Natural Habitats) Regulations 2011

SalvOcean applied to the Maritime Area Regulatory Authority (“MARA”) for a maritime usage licence (reference no. MUL240050) under section 117 of the Maritime Area Planning Act 2021 (“the MAP Act”) to undertake Marine environmental survey (scientific discovery or research) Shipwrecks in the North West (Donegal, Mayo). On 22nd September 2026, MARA determined to part grant the licence, subject to conditions.

In connection with the above licence application and following a public consultation under section 117(6)(b) of the MAP Act, MARA carried out an appropriate assessment of the proposed maritime usage. On the 20th July 2026, MARA determined that the proposed maritime usage (either individually or in combination with any other plans or projects) would not adversely affect the integrity of any European Sites¹, in view of the European Sites’ conservation objectives, subject to the implementation of mitigation measures.

The appropriate assessment report and the appropriate assessment determination are available on the MARA website.

The validity of the appropriate assessment determination may be questioned by judicial review under order 84 of the Superior Courts Rules (S.I.
