**Subject: LIC230007MA-site investigations in the River Dodder Application-Form (1)**

Good day,

After careful consideration, the Marine Survey Office has no objection to the site investigations proposed in the application referenced in the subject line from a navigational safety perspective.

However, the following shall be noted;

1. The Licensee shall apply conditions noted in communication relating to LIC23007 dated 29<sup>th</sup> April 2025.
2. The Licensee shall note the existence of two submarine pipelines in close proximity to the proposed site investigation area. Caution shall be exercised in any proposed site investigations and engagement with local stakeholders / owners of the submarine pipelines.

Regards,
