Re: Amendment to Maritime Usage Licence LIC230007 - Letter of Consent from Landowner for Dublin District Heating Project Site Investigations

I refer to lands in the ownership of Dublin Port Company as shown on attached map SM-2025-1032-004.

On behalf of Dublin Port Company, I hereby consent to Dublin City Council amending Maritime Usage Licence LIC230007 application for the purposes of site investigations for the Dublin District Heating Project, part of which relates to lands in our ownership as detailed on the drawings as follows:

- Landowner Consent Map: *SM-2025-1032-004*
- Proposed Marine Boreholes in River Dodder: *SM-2025-1032-002*
- Location of proposed amendment in relation to granted license area: *SM-2025-1032-001*

Please note that this letter of consent does not provide a contractual or legal ability to carry out the proposed works.

All works are subject to approval of the marine works, the publication of an appropriate Notice to Mariners and satisfactory insurance from contractors in due course.

I trust this is sufficient for your purposes.

Yours sincerely,

Cormac Kennedy
