## **REASONS FOR DETERMINATION**

Maritime Area Regulatory Authority (MARA) has considered the criteria specified in the Maritime Area Planning Act, 2021, as amended (the Act), in so far as such criteria are relevant to the occupation of the part of the maritime area the subject of the permitted maritime usage, and on the basis of the information available and subject to compliance with the conditions set out herein, MARA is satisfied that the Maritime Usage Licence (MUL) should be granted in accordance with Part 5, Chapter 2 of the Act.

In reaching this decision MARA has considered the application and supporting documentation received from the applicant, any supplementary information received, and the reports of its analysts and marine advisors.

## RECITALS

- A. Part 5 of the Maritime Area Planning Act 2021 (“the Act”) provides for Licences authorising certain maritime usages in the maritime area to be granted by the Grantor.
- B. The Holder has applied for this Licence pursuant to section 117 of the Act;
- C. The Grantor has had regard to Schedules 5 and 7 to the Planning and Development Regulations 2001 and has decided that it is not necessary to carry out screening for environmental impact assessment in respect of the Permitted Maritime Usage.
- D. The Grantor, under Section 112 of the Act, is the competent authority for the purposes of Part 5 of the Act for the purposes of Part 5 of the European Communities (Birds and Natural Habitats) Regulations, 2011. The Grantor has carried out screening for appropriate assessment in respect of the Permitted Maritime Usage and has determined that appropriate assessment was required as it cannot be excluded on the basis of objective scientific information that the proposed activities, individually or in combination with other plans or projects, will have a significant effect on European sites.
- E. The Grantor has completed an Appropriate Assessment in respect of the Permitted Maritime Usage and has determined, that the activities (either individually or in combination with any other plans or projects) will not adversely affect the integrity of any European Sites, in view of the sites’ conservation objectives, subject to the implementation of the mitigation measures adopted and outlined in the Appropriate Assessment.
- F. The Grantor has had regard to the matters specified in Section 121(2) of the Act;

## **2. INTERPRETATION**

- 2.1 Any requirement in this Licence for the Holder not to do any act or thing includes an obligation not to permit or suffer such act or thing to be done and to use best endeavours to prevent such act or thing being done by another person.
- 2.2 To the extent that there is a conflict between this Licence and the applicable provisions of the Act, the interpretation of the Act shall prevail.
- 2.3 Any reference to a statute or a statutory instrument includes any amendments or re-enactments for the time being in force.
- 2.4 Unless the context requires otherwise, words in the singular may include the plural and vice versa.
- 2.5 Headings are inserted for convenience only and do not affect the construction or interpretation of this Licence.

## **3. GRANT OF LICENCE**

- 3.1 This Licence is granted by the Grantor to the Holder pursuant to section 119(1)(a) of the Act.
- 3.2 This Licence permits the Holder to occupy and use the Licensed Area for the Term on a non-exclusive basis for the purpose of carrying out the Permitted Maritime Usage in accordance with the Conditions and the requirements of the Act.
- 3.3 This Licence does not confer on the Holder any estate or proprietary interest in the Licensed Area or any other part of the maritime area and for the avoidance of doubt the Grantor and/or any other State Persons authorised so to do may at any stage during the Term grant maritime area consents or licences in respect of the Licensed Area.
- 3.4 This licence is for the purposes of licensing under the Act and nothing in this licence shall be construed as negating the Holder's statutory obligations or requirements under any

other Law.

#### **4. COMMENCEMENT OF THE PERMITTED MARITIME USAGE**

4.1 Notwithstanding the MUL Commencement Date, the Holder shall not commence any activities, operations, works or development associated with the Permitted Maritime Usage in the Licenced Area unless and until:

- i) the Holder has complied with all Pre-Commencement Conditions; and
- ii) the Holder has provided the Grantor a minimum of 14 days advance notice in writing of the Holder's intention to commence the Permitted Maritime Usage in the form and manner as set out in Appendix 3, unless otherwise agreed with the Grantor. This notification shall include an up to date Programme of Works for the completion of the Permitted Maritime Usage.

4.2 The Holder shall provide updated information on the commencement of any activities, operations, works or development associated with the Permitted Maritime Usage where requested by the Grantor.

Reason: To ensure the proper management of the maritime area.

#### **5. COMPLIANCE WITH THIS LICENCE AND THE ACT**

5.1 The Holder shall not use the Licensed Area for any purpose other than the Permitted Maritime Usage.

5.2 The Holder shall ensure that its contractors, and their subcontractors, are made aware of all Conditions.

Reason: To ensure that the Holder carries out the Permitted Maritime Usage in accordance with this licence and the Act.

## 6. CONDITIONS

6.1. The Holder shall comply with the Conditions.

6.2. If the Holder becomes aware that the Permitted Maritime Usage authorised by this Licence does not comply with the Conditions the Holder shall immediately:

- (i) notify the Grantor in writing with particulars of the non-compliance; and
- (ii) unless the Grantor otherwise agrees in writing, take all reasonable and timely steps to ensure that the Permitted Maritime Usage is undertaken in accordance with the Conditions and that any adverse consequences of not complying with the Conditions are rectified to the satisfaction of the Grantor as soon as reasonably possible.

6.3 Where the non-compliance has the potential to impact on water quality, fish or shellfish health, the Holder shall notify the local offices of Inland Fisheries Ireland and the Sea Fisheries Protection Authority as soon as reasonably possible.

Reason: To provide for the attachment of conditions to the licence which the Grantor considers necessary and appropriate to the particular circumstances of the licence granted to the Holder.

## 7. CHANGE IN CIRCUMSTANCES

The Holder shall provide the Grantor with notice in writing at the earliest possible opportunity of any material change of circumstances within the meaning of section 136 of the Act.

Reason: To ensure the Grantor is informed of any material change of circumstances within the meaning of Section 136 of the Act.

## 8. INDEMNITY

8.1 The Holder shall keep the Grantor, the State Persons, and their officers, servants, visitors, agents and employees fully indemnified from and against all or any actions, proceedings, claims, demands, losses, costs, fees, expenses, damages, penalties and other liabilities:

- (i) arising directly or indirectly from the undertaking of the Permitted Maritime Usage the subject of this Licence; and
- (ii) arising directly or indirectly from a failure by the Holder to comply with:
  - a) a Condition;
  - b) a condition deemed to be attached to this Licence in accordance with the Act;
  - c) any provision of the Act relevant to this Licence;

8.2 Without prejudice to the generality of the foregoing, the Holder shall make good all loss sustained by the Grantor in consequence of any breach by the Holder of any Conditions.

Reason: For the necessary protection of the Grantor in light of possible risks arising from the Permitted Maritime Usage.

## 9. INSURANCE

Without prejudice to the Holder's liability to indemnify the Grantor, the Holder shall:

- (i) effect and keep in force a public liability insurance policy of indemnity in the joint names of the Grantor and the Holder in an insurance office licensed to operate in the State

- Territory with a limit of € 6,500,000.00 (six million five hundred thousand euro) in respect of any one claim or a series of claims arising out of a single occurrence for any damage, loss or injury which may occur to any property (not being the property of the Grantor or the Holder) or to any person by or arising out of the admission of any person to the Licensed Area, and to extend such policy so that the Grantor is indemnified by the insurers in the same manner as the Holder;
- (ii) effect and keep in force an employer's liability insurance policy of indemnity in the name of the Holder in an insurance office licensed to operate in the State Territory with a limit of €13,000,000.00 (thirteen million euro) for any one claim or a series of claims arising out of a single occurrence and to extend such policy so that the Grantor is indemnified by the insurers in the same manner as the Holder in respect of all actions, costs, proceedings, losses, damages, or claims for personal injuries by employees of the Holder. This policy should include an indemnity to principles clause with a specific indemnity to the Grantor;
  - (iii) whenever required to do so by the Grantor, produce to the Grantor for inspection the said policy or policies together with the latest receipt of the premium paid for renewal of the said policy or policies together with evidence of waiver of subrogation rights against the Grantor by the Holder's insurers, and to comply with all conditions pertaining to any such policy or policies;
  - (iv) not do or omit to do anything which might cause any policy of insurance (if required) relating to the Licensed Area or any other part of the maritime area affected by the Permitted Maritime Usage to become void or voidable, wholly or in part, nor (unless the Holder has previously notified the Grantor and the Holder has agreed to pay the increased premium) to do anything whereby any abnormal or loaded premium may become payable;
  - (v) immediately notify the Grantor in writing of the making of any claim under any policy of insurance and to provide the Grantor with all information in relation to any such claim;
  - (vi) ensure that any contractors, servants, agents, invitees or visitors of the Holder engaged in connection with activities in the Licenced Area or otherwise in connection with this Licence have appropriate insurance and that all copies of such insurance policies shall be provided to the Grantor as soon as is reasonably practicable;

Reason: To ensure that there is sufficient insurance cover for the Holder to undertake the Permitted Maritime Usage.

## **10. OBLIGATIONS OF THE LICENCE HOLDER ON TERMINATION OR EXPIRY OF THE LICENCE**

At the expiration or termination of the Licence, the Holder shall remove all plant, machinery, equipment or any other thing used in connection with the Permitted Maritime Usage from the Licensed Area (or if applicable from any other part of the maritime area) and restore the Licensed Area (and if applicable any other part of the maritime area) to the condition it was prior to the commencement of the Permitted Maritime Usage to the satisfaction of the Grantor.

Reason: To set out the legal position and obligations of the Holder on termination of the licence.

## **11. FORCE MAJEURE**

Except as otherwise provided by this Licence, if the Holder is rendered wholly or partially incapable of performing all or any of its obligations under this Licence or the Act, by reason of Force Majeure:

- (i) as soon as is reasonably practicable, the Holder shall notify the Grantor, identifying the nature of the event, its expected duration and the particular obligations affected and shall furnish reports at such intervals reasonably requested by the other party during the period of Force Majeure;
- (ii) this Licence shall remain in effect but the Holder's obligations, except for an obligation to make payment of money shall be suspended, provided that the

suspension shall be of no greater scope and no longer duration than is required by the Force Majeure;

- (iii) the Holder shall use all reasonable efforts to remedy its inability to perform all or any of its obligations under this Licence by reason of Force Majeure and shall do all things reasonably practicable to mitigate the consequences of the Force Majeure and shall resume full performance of its obligations under this Licence as soon as is reasonably practicable;

Reason: To clarify the events that excuse non-performance of the Holder's obligations under the licence.

## 12. INSPECTIONS

The Holder of a licence shall facilitate and shall not obstruct the Grantor in:

- (i) entering the Licensed Area for the purposes of enabling the Grantor to carry out inspections for the purposes of ascertaining whether or not condition 12(ii) applies;
- (ii) entering the Licensed Area if the Grantor gives the Holder notice in writing that the Grantor is satisfied that the Holder has materially contravened:
  - (a) a Condition;
  - (b) a condition deemed to be attached to a Licence in accordance with the Act;
  - (c) a provision of the Act relevant to this Licence.

Reason: To ensure the Grantor can evaluate compliance of the Holder with its obligations under the licence and the Act.

### 13. DOCUMENTATION

13.1 The Holder shall keep the following documents (if applicable) together and available for inspection by the Grantor:

- (i) a copy of the licence related to the Permitted Maritime Usage;
- (ii) all correspondence with the Grantor;
- (iii) up-to-date drawings, plans, and maps relating to the Permitted Maritime Usage;
- (iv) documents and photographs as requested by the Grantor from time to time;
- (v) the marine positional log; and
- (vi) any elements of the licence application and associated documentation referenced in this licence.

13.2 In addition, the Grantor may, by notice in writing, require the Holder to provide such additional information as the Grantor considers necessary in relation to any matters arising out of or in connection with this Licence. The Holder shall provide the requested information within the period specified in the notice.

Reason: To provide appropriate controls on the maritime usage to ensure protection of the marine environment.

### 14. EXERCISE OF RIGHTS

Save as may be permitted under this Licence, the Holder shall exercise this Licence in such a manner as to cause no damage or injury to the Licensed Area, any occupants of the Licensed Area and any other part of the maritime area affected by the Permitted Maritime Usage and to forthwith from time to time with due diligence repair and make compensation for any such damage or injury that may be so caused.

Reason: To clarify the manner in which the Holder must exercise the rights granted under the licence

## **15. NOTICES**

15.1 Any notice to be given by the Holder under this Licence shall either be sent by registered post or by email.

15.2 Where the notice is sent by registered post, the notice shall be furnished or sent to the address of the Grantor as contained in the Particulars Schedule.

15.3 Where the notice is delivered by email, it shall be issued to the e-mail address of the Grantor as contained in Appendix 3.

15.4 All notices shall be deemed to have been served as follows:

- (i) if posted by registered post, at the expiration of 48 hours after the envelope containing the same was delivered into the custody of An Post (and not returned undelivered);
- (ii) if communicated by email, on the next calendar day following transmission.

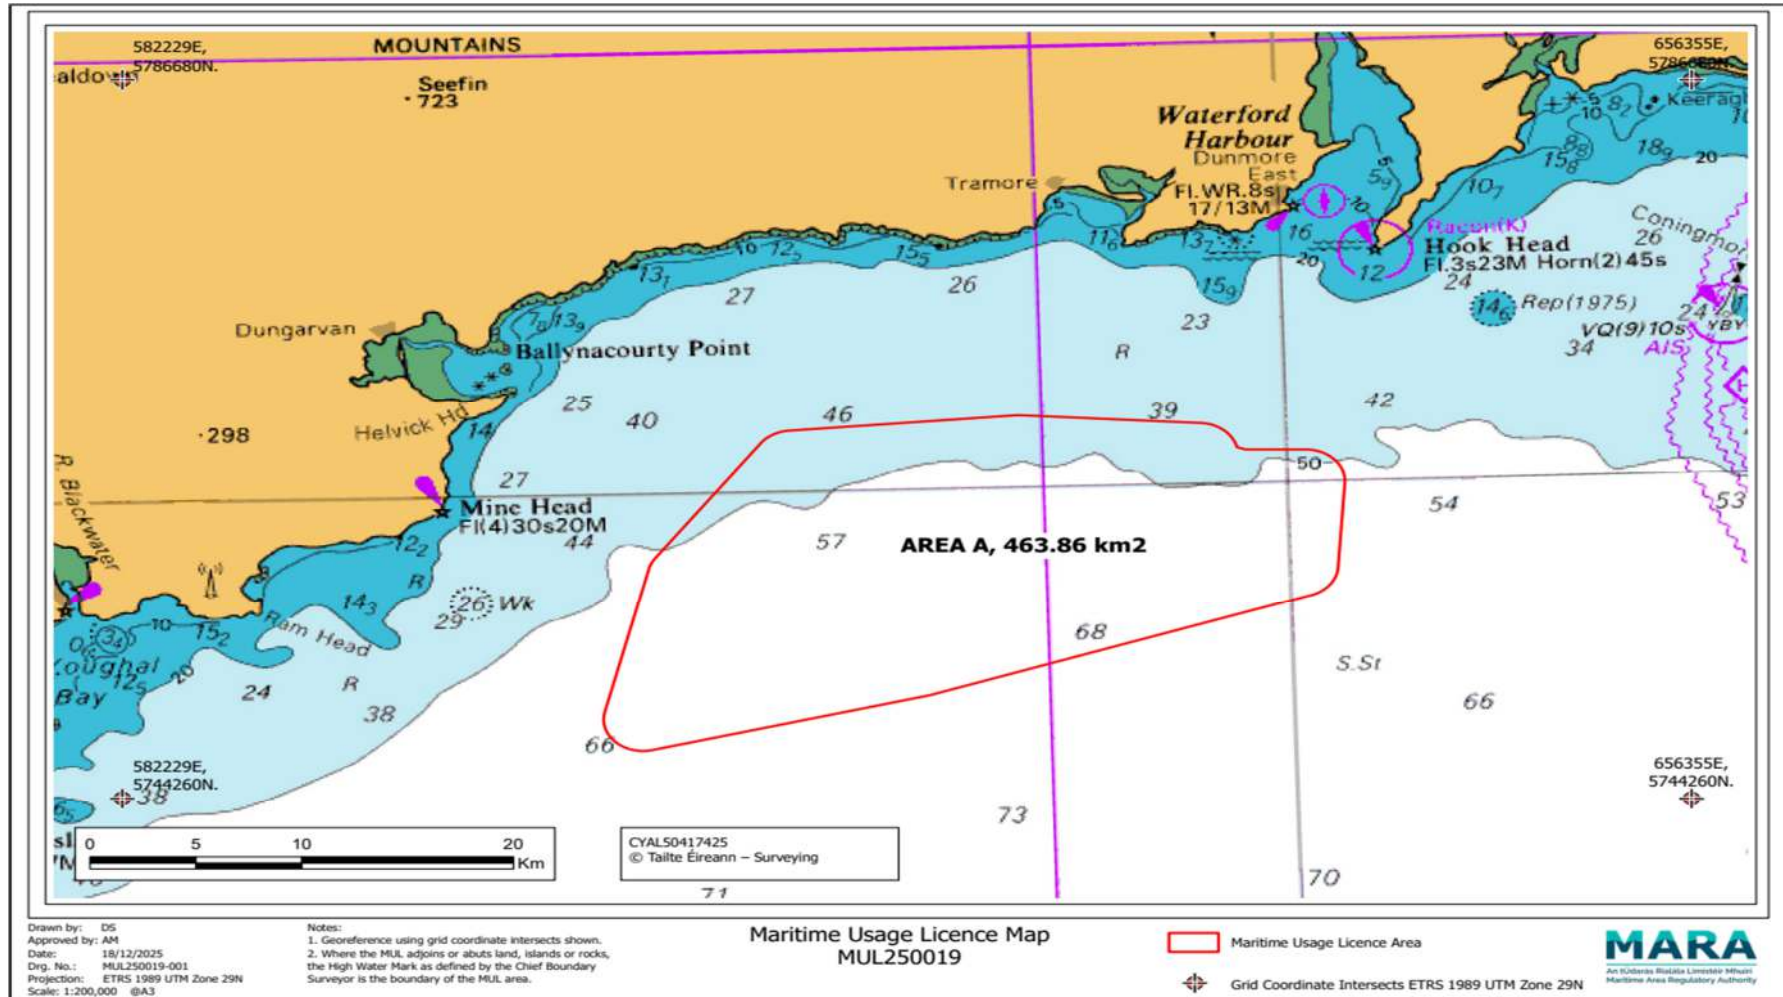

Reason: To set out the manner in which notices must be served by the Holder upon the Grantor under the licence.

## **16. GOVERNING LAW AND JURISDICTION**

This Licence and all other documents relating to it shall be governed by and construed only in accordance with the laws of the Republic of Ireland.

Reason: To clarify that the Holder must submit to the exclusive jurisdiction of the Irish Courts in respect of any dispute and the provisions of this licence shall be construed in accordance with the laws of Ireland.

**APPENDIX 1 THE LICENSED AREA** That part of the maritime area outlined in red on the Maritime Usage Licence map.

## APPENDIX 2 SPECIFIC CONDITIONS

- 17.** The Permitted Maritime Usage shall be carried out in accordance with the plans and particulars submitted in support of the application for this Licence.

Reason: To clarify the scope of this licence and ensure protection of the marine environment.

- 18.** Prior to the commencement of the Permitted Maritime Usage the Holder shall consult with the Underwater Archaeology Unit of the Department of Housing Local Government and Heritage, National Monuments Service, located at G37, Custom House, Custom House Quay, Dublin 1, D01 W6X0, and comply with all applicable requirements set forth by the Unit.

Reason: To ensure protection of maritime heritage.

- 19.** The Holder shall, a minimum 14 days prior to the commencement of the Permitted Maritime Usage, arrange for the publication of a Marine Notice with the Marine Safety Policy Division, Department of Transport. This Marine Notice shall include details of the Licence Holder and the Licence Number as granted by MARA.

Reason: To ensure safe navigation.

20. The Holder shall not damage or interfere with any third party's property while carrying out the Permitted Maritime Usage.

Reason: To minimise impact on other users of the marine environment.

21. Prior to the commencement of the Permitted Maritime Usage the Holder shall consult with the Port of Waterford Company, the Port of Cork Company, the Harbour Masters of New Ross, Dunmore East, Passage East and East Cork (Ballycotton and Youghal) to plan and schedule the Permitted Maritime Usage in order that any potential disruption to port and harbour operations is managed.

Reason: To ensure the orderly undertaking of the proposed maritime usage.

22. The Holder shall ensure that all vessels engaged in this Permitted Maritime Usage conform to Irish Certification standards for vessels, as required by the Marine Survey Office.

Reason: To ensure protection of the marine environment.

- 23.** The Holder shall demonstrate all reasonable practical measures are taken to ensure that all vessels used in the Permitted Maritime Usage are free of invasive marine species on their hulls and in their ballast water and that all equipment used in the Permitted Maritime Usage are free of invasive marine species.

Reason: To ensure protection of the marine environment.

**24.** Marine Mammals

- (i) The Holder shall appoint a marine mammal observer(s) for the purposes of overseeing the Permitted Maritime Usage. The Holder shall ensure the marine mammal observer(s) shall satisfy the requirements of the most up to date national guidance. During the activity the Holder shall comply with the directions of the marine mammal observer(s).
- (ii) The Holder shall implement risk control and mitigation measures for marine mammals in strict accordance with the most up to date national guidance.
- (iii) The Holder shall, within 30 days of the completion of the Permitted Maritime Usage, forward a report of the marine mammal observer(s) operations and mitigation undertaken, to [offshore@npws.gov.ie](mailto:offshore@npws.gov.ie) and [compliance@mara.gov.ie](mailto:compliance@mara.gov.ie)
- (iv) The Holder shall publish the report and recording and data forms on their website within 60 days of completion of the Permitted Maritime Usage unless otherwise agreed with the Grantor

Reason: To ensure protection of the marine environment and protected species.

## 25. Birds

Where the Holder observes significant clusters of birds, actively fishing and/or diving, within 500m of the survey vessel, in carrying out the Permitted Maritime Usage, the survey route shall be altered to maintain a 500m buffer from the birds. Appropriate records must be retained by the Holder.

Reason: To ensure protection of the marine environment.

## 26. In-combination effects

- (i) Prior to the commencement of the Permitted Maritime Usage, the Holder shall coordinate with other authorisation holders carrying out geophysical, seismic and geotechnical activities within a 6 km radius of the Licensed Area.
- (ii) Where a vessel to vessel distance of greater than 6 km cannot be maintained with respect to geophysical, seismic and geotechnical activities, the Holder shall co-ordinate with other authorisation holders to prevent temporal overlap of the activities. Where the Holder can submit evidence that there is a vessel to vessel distance of greater than 6 km, no temporal co-ordination of activities is required.

- (iii) Where the Holder becomes aware of temporal overlap that cannot be resolved within the prescribed distance, the Holder shall notify the Grantor who shall determine the timing of activities.
- (iv) Records of all engagements held and agreements reached, if any, shall be maintained by the Holder and made available to the Grantor if requested.

Reason: To ensure protection of the marine environment and protected species and habitats.

- 27.** On completion of the activity, the Holder shall provide the United Kingdom Hydrographic Office (UKHO) at <https://ukhodataupload.admiralty.co.uk/> or [sdr@UKHO.gov.uk](mailto:sdr@UKHO.gov.uk) and the INFOMAR program at [support@geodata.gov.ie](mailto:support@geodata.gov.ie) with the final bathymetric data from this Permitted Maritime Usage so that the appropriate charts can be updated.

Reason: To ensure the safety of navigation at sea and the protection of the marine environment through availability of monitoring data.

- 28.** The Holder shall, within 30 days of the completion of each geophysical and geotechnical survey undertaken in accordance with this licence, submit details of these surveys to Marine Environment, Department of Climate, Energy and the Environment at [marine.env@dcee.gov.ie](mailto:marine.env@dcee.gov.ie). This data shall be provided in the

reporting format of the OSPAR Impulsive Noise registry, available on the International Council for Exploration of the Seas (ICES) website.

Reason: To ensure protection of the marine environment through availability of monitoring data.

## **29. Accidental events**

The Holder shall ensure that there is an oil pollution emergency plan on-board any survey vessels. This plan should specify:

- (i) Information on the location and detail of spill response resources on-board;
- (ii) Information on crew training in relation to oil pollution response;
- (iii) How crew will interface with other site investigation operators, where applicable.

Reason: To provide appropriate controls on the Permitted Maritime Usage to ensure protection of the marine environment.

## **30. Fisheries Liaison Officer**

The Holder shall appoint a Fisheries Liaison Officer, at least two weeks prior to the commencement and for the duration of the Permitted Maritime Usage, to consult with the Sea Fisheries Protection Authority and relevant fishers

groups in order to ensure that appropriate actions are taken to avoid or minimise any adverse interactions between the Permitted Maritime Usage and any ongoing fishing activities in the Licensed Area.

Reason: To minimise impact on other users of the marine environment.

**31. Community Liaison Officer**

The Holder shall appoint a Community Liaison Officer, at least two weeks prior to the commencement and for the duration of the Permitted Maritime Usage, who may be consulted by relevant stakeholders in order to ensure that appropriate actions are taken to avoid or minimise any adverse interactions between the Permitted Maritime Usage and any other activities or operations, not including fishing activities, in the Licensed Area.

Reason: To minimise impact on other users of the marine environment.

**32. The Holder shall time the Permitted Maritime Usage to ensure that geophysical surveys are undertaken in advance of all geotechnical works to ensure potential significant effects on underwater cultural heritage are avoided.**

Reason: To ensure protection of maritime heritage.

- 33.** The Holder shall consider any publicly available survey data, and usage of same where appropriate and feasible to do so, in order to avoid duplication of survey activity in the Licensed Area.

Reason: To ensure protection of the marine environment.

**34.** Data, Samples and Information

- i) The Holder shall keep records of any Data relating to the Licensed Area in accordance with Section 128 of the Act, for a minimum of 7 years, unless agreed otherwise in writing with the Grantor.
- ii) Where requested by the Grantor, in accordance with Section 128 of the Act, or otherwise as deemed appropriate by the Grantor, the Holder shall provide Data or samples collected in consequence of the Permitted Maritime Usage to the Grantor, or any such other body as may be directed by the Grantor.
- iii) The Holder shall provide Data, as requested by the Grantor in accordance with condition 34 (ii), as follows:
  - (a) in reports provided quarterly, unless otherwise agreed by the Grantor; and
  - (b) the Data shall be provided in each report in any format which the Grantor may reasonably require from time to time and which:
    - i. uses appropriate standards and protocols for data (including metadata) handling and archiving as may be specified by the Grantor;
    - ii. is in digital format which can be transmitted electronically;
    - iii. is compatible with use in geographical information systems; and

iv. is either geographically or library referenced.

- iv) The Holder acknowledges and agrees that it has no interest or right (including copyright and database rights) in any format or database in which Data is put, stored, or processed as a result of this Licence whether by the Holder pursuant to its obligation under this clause or by the Grantor.
- v) Subject to condition 34 (vi), the Holder grants to the Grantor a perpetual non-exclusive right to use and make publicly available the Data provided to them pursuant to this condition 34, for any purpose or in any manner or form.
- vi) Subject to 34 (viii), the Holder agrees and acknowledges that Data provided to the Grantor in accordance with this condition 34 shall be treated as confidential and commercially sensitive by the Grantor (and the Grantor's agents) until the date on which an application is made for development consent.
- vii) The Holder shall procure all necessary third-party consents to enable it to satisfy the requirements set out in condition 34 (v).
- viii) The Holder acknowledges and agrees that the following in relation to any Data provided to the Grantor further to this condition 34:
  - (a) The Grantor is a public body for the purposes of the Freedom of Information Act 2014 (as amended) (the FOI Act) and is also subject to the European Communities (Access to Information on the Environment) Regulations 2007-2018 (the AIE Regulations) and the Grantor may be required to disclose information and records provided

by the Holder in response to a request made under the FOI Act and/or the AIE Regulations, subject to applicable exemptions;

- (b) Where the Holder considers that any information supplied to the Grantor is commercially sensitive, confidential or otherwise exempt from disclosure under the FOI Act or the AIE Regulations, the Holder shall clearly identify such information at the time. Notwithstanding this, the final decision on disclosure rests with the Grantor, in accordance with the applicable legislation;
- (c) The Holder shall, upon reasonable request and within a reasonable timeframe, provide all necessary assistance and cooperation to the Grantor in connection with any request for information made under the FOI Act and/or AIE Regulations; and
- (d) The Grantor shall comply with its obligations under the FOI Act and AIE Regulations in the exercise of its functions under this Licence, and nothing in the Licence shall be construed as restricting the Grantor's legal obligations to disclose information under either the FOI Act or the AIE Regulations, or both.
- ix) The Holder agrees to have regard to this condition 34 when entering into agreements with third party data collectors, providers and surveyors.

Reason: To provide clarity on what constitutes Data in the context of this Licence and to set out clear procedures for the safe handling of such Data.
