Dear Sir or Madam,

Re: Maritime Usage Licence application MUL260006, Uisce Éireann, marine and intertidal site investigation surveys, Liscannor Bay, Co. Clare

Please find attached a community submission on the above application from the Calluragh Cregg Lahinch Wastewater Action Group (CCLWAG), together with the signature sheets.

**1,185 people** signed the attached sheets between 14 and 23 October 2026. That so many signed **in just nine days** reflects the strength of feeling about Cregg and Liscannor Bay. They include residents of Lahinch, Ennistymon and the communities around Liscannor Bay, and people from across Ireland who have homes or caravans in Lahinch or come here year after year. Those who signed object to MARA granting licence MUL260006 and support CCLWAG's submission.

The original signed sheets are held by CCLWAG and can be provided on request.

**We are sending this submission early because the closing date, Monday 26 October, is a bank holiday. Signatures are still coming in, and if necessary we will send any further signed sheets as a supplement before the deadline of 5.30pm on Monday.**

Attached: Community submission letter and signature sheets (1,185 signatures), in one PDF.

I would be grateful if you could confirm receipt of this submission and its attachment.
