Dear Sir or Madam,

Re: Maritime Usage Licence application MUL260006, Uisce Éireann, Liscannor Bay, Co. Clare. Supplement to CCLWAG community submission of 23 October 2026

Further to our email of Friday 23 October below, please find attached a supplementary batch of signature sheets for the community submission from the Calluragh Cregg Lahinch Wastewater Action Group (CCLWAG).

As we indicated, signatures continued to come in after our submission. A further 418 people have signed the same statement, objecting to MARA granting licence MUL260006 and supporting CCLWAG's submission. This brings the total to 1,603 signatures:

1. 1,185 signatures submitted on Friday 23 October 2026
2. 418 additional signatures, attached today Monday 26 October 2026
3. 1,603 signatures in total

**Please treat this as part of the community submission of 23 October 2026, not as a separate submission. The original signed sheets are held by CCLWAG and can be provided on request.**

**I would be grateful if you could confirm receipt of this supplement and its attachment.**

They include residents of Lahinch, Ennistymon and the communities around Liscannor Bay, and people from across Ireland who have homes or caravans in Lahinch or come here year after year. Those who signed object to MARA granting licence MUL260006 and support CCLWAG's submission.
