Good morning,

The marine advisor has come back with the following issues regarding NIS document received 16/11/2026:

- The tables on pages 34 to 47 inclusive are unreadable due to a formatting issue (starting at Table 3.2)
- The tables from Table 3.2 onwards appear to be mislabelled throughout the rest of the document.

Please revert back with a corrected version by close of business Wednesday 18/11/2026.

Regards,

Leeanne Doyle

Hi Patrick,

We expected that the outages would have affected you submitting the NIS. COB Monday will be fine.

Dear MARA,

I tried phoning, but the office is closed.

We were due to submit a revised NIS in relation to the MUL application for surveys relating to the Irish National Heritage Park by today.

Unfortunately, due to the Microsoft outage earlier today we have not been able to complete this work and will need until COB on Monday.

I trust that this short extension is acceptable.

Kind regards,

Patrick
