Hi,

My name is [redacted] and i would like to register my objection to the tests planned for the upcoming winter at Moy Beach and Cregg reefs.

A TERTIARY wastewater treatment plant is needed in Lahinch, but the location you are proposing is not the right one, it risks massive damage to the community use of the sea and the beach as well as the abundant marine life in the affected area.

Do this right, consult with the community, and choose a better site.
Thanks!
