

19/05/2026

Good morning,

Further to your letter dated the 15th of May 2026 and queries therein please see MARAs response below:

1.(a) MARA confirm that indicative locations on survey location, routes and sampling efforts are requested to support the processing of the MUL application.

(b) Yes. Reasonable refinement of survey lines, points and routes within the licenced area (if granted) would be permissible in response to the factors outlined.

2.MARA confirm that the approaches outlined in Item 2 and Item 3 regarding details on survey equipment/ impact and archaeological surveys is acceptable in terms of processing of this application

3. MARA confirm that the proposal outlined in relation Item 4 is acceptable.

4. With regard to Item 5 MARA agree to the new deadline for the submission a response to the request for additional information being 26/06/2026.

Kind Regards,

Leeanne Doyle
