Maritime Usage Licence Application Reference: MUL260006

Dear applicant,

I refer to the above referenced Maritime Usage Licence (MUL) received by the Maritime Area Regulatory Authority (MARA), which included a Natura Impact Statement.

Following screening pursuant to Regulation 42 of the *European Communities (Birds and Natural Habitats) Regulations 2011 (S.I. 477 of 2011)*, MARA made a determination on 07/08/2026 that an appropriate assessment is required to be carried out in respect of the proposed maritime usage which is the subject of this MUL application.

The Appropriate Assessment Screening Determination is available on the MARA website at the following link: [MUL260006](#)

For the purposes of the Appropriate Assessment, you are required to prepare a revised **Natura Impact Statement (NIS)** in relation to the proposed maritime usage, in view of MARA's Appropriate Assessment Screening and Determination Report.

This requested information should be submitted to MARA (by email to licence@mara.gov.ie) within 4 weeks of the date of this notice i.e. by **06/09/2026**.

Failure to submit the revised Natura Impact Statement by this date (or any extension to this date permitted by MARA for good and sufficient reason) will result in the subject MUL application being deemed to be withdrawn in accordance with Section 117(8) of the Maritime Area Planning
