RE: Maritime Usage Licence Application Reference: MUL260006

29th April 2026

Dear Ms. Doyle,

I refer to your correspondence dated 29/04/2026 regarding the above-referenced Maritime Usage Licence application.

Mapping

Please note that Area B does not exclude the islands (terrestrial land) as denoted in the High-Water Mark 2026 (<https://arcg.is/1zSran1>). Where the MUL area abuts the land, the boundary of the MUL area should coincide with and follow exactly the High-Water Mark as defined by the Chief Boundary and not traverse into terrestrial land. Please confirm if it is the intention of this application to align with the HWM and exclude all islands as denoted. Relevant GIS data files should be updated accordingly and resubmitted to MARA as per the MARA Technical Mapping Guidance Note for MAC/MUL

UE response

We confirm this application to align with the High-Water Mark and exclude all islands as denoted.

Should you have any queries please do not hesitate to contact me or foreshore@water.ie

Yours faithfully,

Debbie Holden
