Hello Leeanne

In section 25 (i)

“The Holder shall appoint a marine mammal observer(s) for the purposes of overseeing the Permitted Maritime Usage.”

We suggest slightly changing the wording to “The Holder shall ensure a marine mammal observer is appointed for the purposes of overseeing the Permitted Maritime Usage.”

As the tender for these works will be done in a way that the contractor will appoint the MMO or in some cases the foreman of these SI campaigns is typically trained as MMO observer this slight wording will allow the port to ensure in tendering, that the contractor will work with a MMO instead of the port appointing an MMO on behalf of the contractor, which would typically not be done.

Thanks
Regards
