Port of Cork Company site investigations Ringaskiddy**

To whom it may concern,

Having reviewed the MUL260036 application from the perspective of the International Convention for the Safety of Life at Sea (SOLAS), 1974 and the requirement therein to provide such aids to navigation as the volume of traffic justifies and the degree of risk requires, the Commissioners of Irish Lights as the National competent authority for marine aids to navigation under the Merchant Shipping Act 1894, wishes to make no observations regarding this application.

For any queries, please contact [operations@irishlights.ie](mailto:operations@irishlights.ie)

Yours sincerely,

**Captain Catriona Schmegner Tosco**
