Hi Leeanne,

We have received correspondence back from our third-party environmental consultant who is aiding in providing the responses to the RAI. They have confirmed that they will only be able to provide the required responses by the 30th of November 2026.

Can the deadline below please be extended to match?

Kind Regards

Hi Dillan,

May I ask how much of an extension you would require and I will bring your request to the marine advisor for their decision.
