RECITALS

- A. Part 5 of the Maritime Area Planning Act 2021 (“the Act”) provides for Licences authorising certain maritime usages in the maritime area to be granted by the Grantor.
- B. The Holder has applied for this Licence pursuant to section 117 of the Act;
- C. The Grantor has had regard to Schedules 5 and 7 to the Planning and Development Regulations 2001 and has decided that it is not necessary to carry out screening for environmental impact assessment in respect of the Permitted Maritime Usage.
- D. The Grantor, under Section 112 of the Act, is the competent authority for the purposes of Part 5 of the Act for the purposes of Part 5 of the European Communities (Birds and Natural Habitats) Regulations, 2011. The Grantor has carried out screening for appropriate assessment in respect of the Permitted Maritime Usage and has determined that appropriate assessment was required as it cannot be excluded on the basis of objective scientific information that the proposed activities, individually or in combination with other plans or projects, will have a significant effect on European sites.
- E. The Grantor has completed an Appropriate Assessment in respect of the Permitted Maritime Usage and has determined, that the activities (either individually or in combination with any other plans or projects) will not adversely affect the integrity of any European Sites, in view of the sites’ conservation objectives, subject to the implementation of the mitigation measures adopted and outlined in the Appropriate Assessment.
- F. The Grantor has had regard to the matters specified in Section 121(2) of the Act;

2. INTERPRETATION

- 2.1 Any requirement in this Licence for the Holder not to do any act or thing includes an obligation not to permit or suffer such act or thing to be done and to use best endeavours to prevent such act or thing being done by another person.
- 2.2 To the extent that there is a conflict between this Licence and the applicable provisions of the Act, the interpretation of the Act shall prevail.
- 2.3 Any reference to a statute or a statutory instrument includes any amendments or re-enactments for the time being in force.
- 2.4 Unless the context requires otherwise, words in the singular may include the plural and vice versa.
- 2.5 Headings are inserted for convenience only and do not affect the construction or interpretation of this Licence.

3. GRANT OF LICENCE

- 3.1 This Licence is granted by the Grantor to the Holder pursuant to section 119(1)(a) of the Act.
- 3.2 This Licence permits the Holder to occupy and use the Licensed Area for the Term on a non-exclusive basis for the purpose of carrying out the Permitted Maritime Usage in accordance with the Conditions and the requirements of the Act.
- 3.3 This Licence does not confer on the Holder any estate or proprietary interest in the Licensed Area or any other part of the maritime area and for the avoidance of doubt the Grantor and/or any other State Persons authorised so to do may at any stage during the Term grant maritime area consents or licences in respect of the Licensed Area.

4. COMMENCEMENT OF THE PERMITTED MARITIME USAGE

4.1 Notwithstanding the Commencement Date, the Holder shall not commence any activities, operations, works or development associated with the Permitted Maritime Usage in the Licenced Area unless and until:

- i) the Holder has complied with all Pre-Commencement Conditions; and
- ii) the Holder has provided the Grantor a minimum of 14 days advance notice in writing of the Holder's intention to commence the Permitted Maritime Usage in the form and manner as set out in the Notification of Commencement of Permitted Maritime Usage provided on the MARA website, unless otherwise agreed with the Grantor. This notification shall include an up to date Programme of Works for the completion of the Permitted Maritime Usage.

4.2 The Holder shall provide updated information on the commencement of any activities, operations, works or development associated with the Permitted Maritime Usage where requested by the Grantor.

5. COMPLIANCE WITH THIS LICENCE AND THE ACT

5.1 The Holder shall not use the Licensed Area for any purpose other than the Permitted Maritime Usage.

5.2 The Holder shall ensure that its contractors, and their subcontractors, are made aware of all Conditions.

6. SPECIFIC CONDITIONS

6.1. The Holder shall comply with the Specific Conditions.

6.2. If the Holder becomes aware that the Permitted Maritime Usage authorised by this Licence does not comply with the Specific Conditions the Holder shall immediately:

- (i) notify the Grantor in writing with particulars of the non-compliance; and
- (ii) unless the Grantor otherwise agrees in writing, take all reasonable and timely steps to ensure that the Permitted Maritime Usage is undertaken in accordance with the Specific Conditions and that any adverse consequences of not complying with the Specific Conditions are rectified to the satisfaction of the Grantor as soon as reasonably possible.

7. CHANGE IN CIRCUMSTANCES

The Holder shall provide the Grantor with notice in writing at the earliest possible opportunity of any material change of circumstances within the meaning of section 136 of the Act.

8. INDEMNITY

8.1 The Holder shall keep the Grantor, the State Persons, and their officers, servants, visitors, agents and employees fully indemnified from and against all or any actions, proceedings, claims, demands, losses, costs, fees, expenses, damages, penalties and other liabilities:

- (i) arising directly or indirectly from the undertaking of the Permitted Maritime Usage the subject of this Licence; and
- (ii) arising directly or indirectly from a failure by the Holder to comply with:
 - a) a Condition;

- b) a condition deemed to be attached to this Licence in accordance with the Act;
- c) any provision of the Act relevant to this Licence;

8.2 Without prejudice to the generality of the foregoing, the Holder shall make good all loss sustained by the Grantor in consequence of any breach by the Holder of any Conditions.

9. INSURANCE

Without prejudice to the Holder's liability to indemnify the Grantor, the Holder shall:

- (i) effect and keep in force a public liability insurance policy of indemnity in the joint names of the Grantor and the Holder in an insurance office licensed to operate in the State Territory with a limit of € 6,500,000.00 (six million five hundred thousand euro) in respect of any one claim or a series of claims arising out of a single occurrence for any damage, loss or injury which may occur to any property (not being the property of the Grantor or the Holder) or to any person by or arising out of the admission of any person to the Licensed Area, and to extend such policy so that the Grantor is indemnified by the insurers in the same manner as the Holder;
- (ii) effect and keep in force an employer's liability insurance policy of indemnity in the name of the Holder in an insurance office licensed to operate in the State Territory with a limit of €13,000,000.00 (thirteen million euro) for any one claim or a series of claims arising out of a single occurrence and to extend such policy so that the Grantor is indemnified by the insurers in the same manner as the Holder in respect of all actions, costs, proceedings, losses, damages, or claims for personal injuries by employees of the Holder. This policy should

include an indemnity to principles clause with a specific indemnity to the Grantor;

- (iii) whenever required to do so by the Grantor, produce to the Grantor for inspection the said policy or policies together with the latest receipt of the premium paid for renewal of the said policy or policies together with evidence of waiver of subrogation rights against the Grantor by the Holder's insurers, and to comply with all conditions pertaining to any such policy or policies;
- (iv) not do or omit to do anything which might cause any policy of insurance (if required) relating to the Licensed Area or any other part of the maritime area affected by the Permitted Maritime Usage to become void or voidable, wholly or in part, nor (unless the Holder has previously notified the Grantor and the Holder has agreed to pay the increased premium) to do anything whereby any abnormal or loaded premium may become payable;
- (v) immediately notify the Grantor in writing of the making of any claim under any policy of insurance and to provide the Grantor with all information in relation to any such claim;
- (vi) ensure that any contractors, servants, agents, invitees or visitors of the Holder engaged in connection with activities in the Licenced Area or otherwise in connection with this Licence have appropriate insurance and that all copies of such insurance policies shall be provided to the Grantor as soon as is reasonably practicable;

10. RIGHTS AND OBLIGATIONS OF THE LICENCE HOLDER ON TERMINATION OR EXPIRY OF THE LICENCE

The Holder shall remove all plant, machinery, equipment or any other thing used in connection with the Permitted Maritime Usage from the Licensed Area (or if

applicable from any other part of the maritime area) and restore the Licensed Area (and if applicable any other part of the maritime area) to the condition it was prior to the commencement of the Permitted Maritime Usage to the satisfaction of the Grantor.

11. FORCE MAJEURE

Except as otherwise provided by this Licence, the Holder is rendered wholly or partially incapable of performing all or any of its obligations under this Licence or the Act, by reason of Force Majeure:

- (i) as soon as is reasonably practicable, the Holder shall notify the Grantor, identifying the nature of the event, its expected duration and the particular obligations affected and shall furnish reports at such intervals reasonably requested by the other party during the period of Force Majeure;
- (ii) this Licence shall remain in effect but the Holder's obligations, except for an obligation to make payment of money shall be suspended, provided that the suspension shall be of no greater scope and no longer duration than is required by the Force Majeure;
- (iii) the Holder shall use all reasonable efforts to remedy its inability to perform all or any of its obligations under this Licence by reason of Force Majeure and shall do all things reasonably practicable to mitigate the consequences of the Force Majeure and shall resume full performance of its obligations under this Licence as soon as is reasonably practicable;

12. INSPECTIONS

The Holder of a licence shall facilitate and shall not obstruct the Grantor in:

- (i) entering the Licenced Area for the purposes of enabling the Grantor to carry out inspections (including periodic inspections) for the purposes of ascertaining whether or not subparagraph (ii) applies.
- (ii) entering the Licensed Area if the Grantor gives the Holder notice in writing that the Grantor is satisfied that the Holder has materially contravened:
 - (a) a Condition;
 - (b) a condition deemed to be attached to a Licence in accordance with the Act;
 - (c) a provision of this Act relevant to this Licence,

13. DOCUMENTATION

13.1 The Holder shall keep the following documents (if applicable) together and available for inspection by the Grantor:

- (i) a copy of the licence related to the Permitted Maritime Usage;
- (ii) all correspondence with the Grantor;
- (iii) up-to-date drawings, plans, and maps relating to the Permitted Maritime Usage;
- (iv) documents and photographs as requested by the Grantor from time to time;
- (v) the marine positional log; and
- (vi) any elements of the licence application and associated documentation referenced in this licence.

13.2 In addition, the Grantor may, by notice in writing, require the Holder to provide such additional information as the Grantor considers necessary in relation to any matters arising out of or in connection with this Licence. The Holder shall provide the requested information within the period specified in the notice.

14. EXERCISE OF RIGHTS

Save as may be permitted under this Licence, the Holder shall exercise this Licence in such a manner as to cause no damage or injury to the Licensed Area, any occupants of the Licensed Area and any other part of the maritime area affected by the Permitted Maritime Usage and to forthwith from time to time with due diligence repair and make compensation for any such damage or injury that may be so caused.

15. NOTICES

15.1. Any notice to be given by the Holder under this Licence shall either be sent by registered post or by email.

15.2. Where the notice is sent by registered post, the notice shall be furnished or sent to the address of the Grantor as contained in the Particulars Schedule.

15.3. Where the notice is delivered by email, it shall be issued to the e-mail address of the Grantor as contained in the Notification of Commencement of Permitted Maritime Usage provided on the mara website.

15.4. All notices shall be deemed to have been served as follows:

- (i) if posted by registered post, at the expiration of 48 hours after the envelope containing the same was delivered into the custody of An Post (and not returned undelivered);
- (ii) if communicated by email, on the next calendar day following transmission.

16. AMENDMENTS TO THIS LICENCE

Section 125 of the Act shall apply to any application by the Holder to amend this Licence.

17. SURRENDER

Sections 126 and 127 of the Act shall apply to any application by the Holder to surrender this Licence.

18. AUTOMATIC TERMINATION

Without prejudice to any other remedies available pursuant to this Licence and at law, this Licence shall terminate immediately upon the occurrence of any of the events provided for in section 144(1) of the Act.

19. TERMINATION FOR BREACH

Without prejudice to any other remedies available pursuant to this Licence and at law, the Grantor may terminate this Licence for breach in accordance with section 144A of the Act.

GOVERNING LAW AND JURISDICTION

- 20.** This Licence and all other documents relating to it shall be governed by and construed only in accordance with the laws of the Republic of Ireland.
- 21.** This licence is for the purposes of licensing under the Act and nothing in this licence shall be construed as negating the Holder's statutory obligations or requirements under any other Law.

SPECIFIC CONDITIONS.

- 22.** The Permitted Maritime Usage shall be carried out in accordance with the plans and particulars submitted in support of the application for this Licence.
- 23.** Prior to the commencement of the Permitted Maritime Usage the Holder shall consult with the Underwater Archaeology Unit of the Department of Housing Local Government and Heritage, National Monuments Service, located at G37, Custom House, Custom House Quay, Dublin 1, D01 W6X0, and comply with all applicable requirements set forth by the Unit.
- 24.** The Holder shall, a minimum 14 days prior to the commencement of the Permitted Maritime Usage, arrange for the publication of a Marine Notice with the Marine Safety Policy Division, Department of Transport. This Marine Notice shall include details of the Licence Holder and the Licence Number as granted by MARA.
- 25.** The Holder shall not damage or interfere with any third party's property, infrastructure or fishing gear while conducting the Permitted Maritime Usage.
- 26.** During the course of the intertidal trial pit operations the Holder shall ensure that existing public access arrangements are maintained, where possible, and all necessary precautions are put in place to protect the public. The Holder shall retain photographic evidence of all such arrangements made and precautions taken during the course of the works.

27. The Holder shall ensure that all vessels engaged in this Permitted Maritime Usage conform to Irish Certification standards for vessels, as required by the Marine Survey Office.

28. The Holder shall demonstrate all reasonable practical measures are taken to ensure that all vessels used in the Permitted Maritime Usage are free of invasive marine species on their hulls and in their ballast water and that all vehicles and equipment used in the intertidal portion of the Permitted Maritime Usage are free of invasive marine species.

29. Marine Mammals

- (i) The Holder shall appoint a marine mammal observer(s) for the purposes of overseeing the Permitted Maritime Usage. The Holder shall ensure the marine mammal observer(s) shall satisfy the requirements of the most up to date national guidance. During the activity the Holder shall comply with the directions of the marine mammal observer(s).
- (ii) The Holder shall implement risk control and mitigation measures for marine mammals in strict accordance with the most up to date national guidance.
- (iii) The Holder shall, within 30 days of completion of the Permitted Maritime Usage, forward a report of the marine mammal observer(s) operations and mitigation undertaken, to offshore@npws.gov.ie and compliance@mara.gov.ie

- (iv) The Holder shall publish the report and recording and data forms on their website within 60 days of completion of the Permitted Maritime Usage unless otherwise agreed with the Grantor

30. Birds

The Holder shall not undertake geotechnical and geophysical surveys as follows:

- i) within 1 km of the Mid-Waterford Coast SPA and the Keeragh Islands SPA, and Landfall zones E, F and G during the period April to July,
- ii) within 1 km of the Ballycotton Bay SPA during the period October to March.

31. Landfall site/Intertidal

- (i) The Holder shall ensure that an ecologist will be on site during all intertidal surveys carried out as part of this Permitted Maritime Usage in order to minimise disturbance and ensure site integrity is maintained.
- (ii) Access to the intertidal areas shall be exclusively through existing access routes.
- (iii) The Permitted Maritime Usage shall not result in disturbance or damage to sea cliffs and reef habitat and these areas shall be avoided by machinery and personnel.
- (iv) Any temporary access arrangements or structures that are put in place to allow machinery access to the shore area, shall be prepared or installed in consultation with the ecologist to ensure minimal disturbance and ensure site integrity. The site should be fully reinstated post works.

32. In-combination effects

- (i) Prior to the commencement of the Permitted Maritime Usage, the Holder shall coordinate with other authorisation holders carrying out geophysical, seismic and geotechnical activities within a 6 km radius of the Licensed Area.
- (ii) Where a vessel to vessel distance of greater than 6 km cannot be maintained with respect to geophysical, seismic and geotechnical activities, the Holder shall co-ordinate with other authorisation holders to prevent temporal overlap of the activities. Where the Holder can submit evidence that there is a vessel to vessel distance of greater than 6 km, no temporal co-ordination of activities is required.
- (iii) Where the Holder becomes aware of temporal overlap that cannot be resolved within the prescribed distance, the Holder shall notify the Grantor who shall determine the timing of activities.
- (iv) Records of all engagements held and agreements reached, if any, shall be maintained by the Holder and made available to the Grantor if requested.

33. On completion of the activity, the Holder shall provide the United Kingdom Hydrographic Office (UKHO) at <https://ukhodataupload.admiralty.co.uk/> or sdr@UKHO.gov.uk and the INFOMAR program at support@geodata.gov.ie with the final bathymetric data from this Permitted Maritime Usage so that the appropriate charts can be updated.

34. The Holder, upon completion of the Permitted Maritime Usage, shall submit details of all acoustic surveys undertaken in accordance with this licence to

Marine Environment, Department of Housing, Local Government and Heritage at marine.env@housing.gov.ie. This data shall be provided in the reporting format of the OSPAR Impulsive Noise registry.

35. Accidental events

The Holder shall ensure that there is an oil pollution emergency plan on-board any survey vessels. This plan should specify:

- (i) Information on the location and detail of spill response resources on-board;
- (ii) Information on crew training in relation to oil pollution response;
- (iii) How crew will interface with other site investigation operators, where applicable.

36. Fisheries Liaison Officer

At least two weeks prior to commencement and for the duration of the Permitted Maritime Usage, the Holder shall engage a Fisheries Liaison Officer to consult with and fully inform relevant fishers in order that interactions with ongoing fishing activities in the area are minimised during the course of the Permitted Maritime Usage.

37. While conducting the Permitted Maritime Usage the Holder shall not interfere with any fishing gear or obstruct any fishers or fishing vessels engaged in fishing.

38. Fish spawning and nursery grounds

The Holder shall not undertake the geotechnical and geophysical boat-based portions of the Permitted Maritime Usage between 1st November and 31st March annually, to ensure least disturbance to known fish spawning along the survey route.

39. The Holder shall plan for the Permitted Maritime Usage to be carried out at a time and in a manner which ensures that geophysical surveys are undertaken in advance of all geotechnical works to avoid potential significant adverse effects on underwater cultural heritage and reef habitats.

40. Reef Habitat Protection

- i) No geotechnical activities shall take place in Reef habitat (EU Annex 1 habitat code 1170).
- ii) Prior to the commencement of the geotechnical activities a drop-down video shall be deployed, and imagery shall be recorded and retained, at each sampling location to ensure reef habitat is avoided in the course of such geotechnical activities.

41. The Holder shall consider any publicly available survey data, and usage of same where appropriate and feasible to do so, in order to avoid duplication of survey activity in the Licensed Area.

Execution of the Licence

This Licence is executed by John Evans on behalf of the Grantor who has been authorised to grant this licence pursuant to section 119(1)(a) of the Act:
