| MUL Applicant:                                                                        | EirGrid plc                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| MUL Reference No:                                                                     | MUL240036MA                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Minded To Notice –<br>Section 119(6)(b) Issued                                        | 29/06/2026<br><br>A copy of the proposed Licence with reasons for the determination and conditions attached was furnished to the MUL Applicant with the <i>Minded To Notice</i> .                                                                                                                                                                                                                                                                                                                                                                                      |
| MUL Applicant Response                                                                | The MUL Applicant confirmed to MARA on 01/07/2026 that they would not submit any supplementary material following issue of the <i>Minded To Notice</i> within the time period specified therein. However, the applicant referred to the Holder email and Appendix 3. The Holder email is no longer included in licences, so has been removed. Appendix 3 has been replaced by the Notification of Commencement of Permitted Maritime Usage provided on the MARA website, so has been removed and conditions 4.1(ii) and 15.3 have been amended to reflect this change. |
| Recommendation                                                                        | To issue a final determination notice, as enclosed, in relation to the above application in accordance with Section 119(3) of the Act.<br><br>To finalise attached MUL with reasons for the determination and conditions attached thereto, as per the proposed MUL and as set out in the <i>Minded To Notice</i> .<br><br>To Grant with conditions, the MUL sought.                                                                                                                                                                                                    |
