**Re: Request for Consent to Change of Control of Parent Company
Foreshore Licence FS006889 (America Europe Connect 2 Limited)**

Dear Holder,

We refer to your request dated 20 May 2025 seeking MARA's consent to consent to the change of control of parent company of Foreshore Licence FS006889 dated 03 August 2022 and made between The Minister for Housing, Local Government and Heritage of the one part and America Europe Connect 2 Limited of the other part ("the Licence").

Since its establishment date of 17 July 2023, MARA has assumed administrative responsibility for foreshore authorisations, as provided for under section 43(1)(i) of the Maritime Area Planning Act, 2021 (as amended) ("the MAP Act").

In light of your request in relation to Condition 16 of the Licence, MARA in exercise of its administrative responsibility over Foreshore Authorisation number FS006889 and in exercise of its statutory functions hereby consents to your request in respect of change of control having regard to the Licence as it relates to Aqua Comms DAC the parent company of the licensee.

Please note however that this consent is limited to the request made in your correspondence of 20 May 2025 and is not to be construed as any amendment alteration or extension of or to the terms of the licence.

Should the above not be satisfactory then the licensee may apply to MARA under the transitional provisions for certain foreshore authorisations under sections 105 and 129 of the MAP Act. These provisions are a mechanism for licence holders seeking to amend existing foreshore authorisations and further information can be obtained by contacting our Maritime Authorisations team at mac@mara.gov.ie.
