Map Legend

-  Site Location
-  Maritime Area Consent Area
-  High Water Mark - Chief Boundary Surveyor
-  Grid Coordinate Intersects ITM

Notes:

1. Georeference using grid coordinate intersects as shown.
2. Where the MAC Area abuts the land, islands, or rocks, the boundary of the MAC Area coincides with and follows exactly the High Water Mark as defined by the Chief Boundary Surveyor.
3. Irish Transverse Mercator (ITM) coordinate system used throughout
