MARINE LICENCE VETTING COMMITTEE:

MUL240047 Request for observations from Ms. LEEANNE DOYLE (MARA) dated 08.07.2026

Overview:

Site investigations works to inform the design of a new RNLI jetty and berth and to inform disposal options for dredged sediment material.

Works will be

- 3 boreholes
- 12 vibrocores
- In situ sampling

Time frame ~10 days

IFI Comment

The mitigation of accidents and the protection of the aquatic and marine environment is outlined in the supporting document (NSER). These should be conditions of any licence.

The local IFI office in Macroom should be informed 5 days ahead of surveys starting; macroom@fisheriesireland.ie
