Leanne

I write in respect of the correspondence provided in regards to MUL240047.

I would be grateful if you could provide an extension of 2 weeks from the date stated, for the return of the additional information requested – that date would be the 8th of October 2026.

At present I am attending a long running public inquiry and whilst I am seeking to return the requested information to MARA in a prompt manner, I am not in a position to do so ahead of the stated deadline.

I would greatly appreciate it if this request could be accommodated.

I look forward to hearing from you.

Best regards

Alastair.
