Importance: High

Categories: Leeanne

Good day Leanne,

Upon review of the application MUL260049 Uisce Éireann, it is noted submission of the proposed maritime usage does not consider NMPF Chapter 18 or 19.

Can you reach out applicant and request submission relevant assessment that will ensure safety of the maritime users and the safety of the project personnel engaged during the proposed deployment of MES equipment and survey data acquisition.

Regards,

Steve
